NOBCON 2026: INTERDISCIPLINARY HORIZONS - INNOVATION, SUSTAINABILITY, AI AND TRANSFORMATION [IC-IHITSA]

SECOND INTERNATIONAL CONFERENCE AT NOBLE UNIVERSITY

WHERE ENGINEERING, SCIENCE, MANAGEMENT, HUMANITIES, ARTS, AND AI CONVERGE TO SHAPE SUSTAINABLE FUTURES.

MARCH 6&7, 2026

NOBLE UNIVERSITY CAMPUS, JUNAGADH | HYBRID (IN-PERSON + ONLINE)
CITY, COUNTRY: JUNAGADH, INDIA

Executive Summary

Nobcon 2026 gathers researchers, industry leaders, policymakers, and students from around the world to explore interdisciplinary approaches to Innovation, Sustainability, AI, and Transformation. This brochure outlines the conference objectives, tracks, submission opportunities, key dates, guidelines, and participation details for approval and rollout.

Tentative Conference Structure

- Keynote Lectures
- Plenary Sessions
- Parallel Technical Sessions
- Poster & Demo Gallery
- Workshops & Tutorials

Conference Objectives

- Foster Interdisciplinary Collaboration: Provide a platform for engineers, scientists, managers, humanities scholars, and AI experts to co-create solutions.
- Showcase Innovation & Sustainability: Highlight cutting-edge technologies and responsible AI applications that advance society.
- Translate Knowledge into Practice: Bridge academia and industry through case studies, pilots, and demonstrations.
- Develop Global Thought Leadership: Establish Nobcon as a premier international conference with high-quality proceedings.
- Promote Inclusive & Ethical AI: Governance, ethics, equity, and human-centered AI design.
- Nurture Future Talent: Mentoring, student poster sessions, and networking with potential employers.
- Encourage Policy-Relevant Dialogue: Engage policymakers and industry leaders to inform evidence-based decisions.

Broad Tracks (Suggestive topic but not limited to following Topic)

Broad Track 1: Engineering, Science, Technology, Pharmacy & Nursing

- Sustainable Engineering & Clean Technologies;
- AI/ML for Engineering;
- Robotics & Smart Manufacturing;
- Materials Science & Nanotechnology;
- Renewable Energy Systems;
- Biotechnology and Genetic Engineering Applications;
- Microbiology and Public Health Research Trends;
- Evidence-Based Nursing Practice and Patient Safety;
- Critical Care Nursing and Emergency Management;
- Novel Drug Delivery Systems;
- Pharmaceutical Quality Assurance and Regulatory Affairs

Broad Track 2: Management, Commerce, Humanities, Arts and Social Science

- Sustainability Strategy & CSR;
- Innovation Management & Startups;
- Digital Transformation & AI in Business;
- Economics/Policy in AI Era;
- Responsible AI, Ethics, Governance & Law;
- Humanities & Technology (Culture/Media/Communication);
- Arts & Design for Social Impact;
- Behavioural Science & Leadership;
- Global Trade & Digital Economies;
- Sustainable Business Models & Circular Economy;
- Education` & Knowledge Societies.

Awards:

- Best Paper Award: Separate categories for Online and Offline participation.
- Best Poster Award: Separate categories for Online and Offline participation.
- Additional recognition: Excellence in Interdisciplinary Research & Early-Career Award.
- Note: Clear criteria and judging rubrics will be published on the Awards page.

Submission Guidelines

- Abstract Submissions: Up to 250 words; up to 5 keywords; maximum 12–15 minutes presentation slot requested.

- Authors may submit full-length papers of up to 5000 words as per the respective track guidelines. The template provided at the later stage of submission.

- Poster Submissions: Poster (portrait) with clear sections: title, authors, affiliations, abstract, key results.

- Review Paper submission that provides a comprehensive overview of a specific research area by summarizing and synthesizing existing literature.

- Case Study submission that presents practical experiences, often in industry settings, which provide insights or lessons for the research community.

- Language: English (all submissions except Education and Arts).

- Plagiarism report: Required for AI-related research upto 20% & 10% Plagiarism.

- Ethical statement/disclosure: Includes disclosure of data usage, consent, and governance considerations.

- Templates: Use the provided templates for abstracts, full papers, and posters (attached with the brochure package or available on the conference site).

Templates

Abstract Template

- Title
- Authors and Affiliations (hidden in submission copy)
- Abstract (200–250 words)
- Keywords: 3–5

Full Paper Template

- Title
- Abstract (150–250 words)
- Keywords
- Introduction, Methodology, Results, Discussion, Conclusions
- References (APA7th style)

Poster Template

- Poster Title, Authors, Affiliations
- Abstract (150–200 words)
- Visuals: 1–2 figures, concise bullet points

Key Dates

17.01.2026
Abstract Submission Opens

15.02.2026
Abstract Submission Closes

Upon acceptance of Abstract
Full Paper Submission Opens (16.02.2026)

01.03.2026
Full Paper Submisson Close

04.03.2026
PPT Submission

6 & 7 March 2026
Conference Dates

01.04.2026
Nobcon Noble University Proceedings Publication

Registration & Fees

Sr. no	Category	Registration + Only Abstract	Full paper submission + Publication in Nobcon Proceedings with ISBN	Poster Presentation
1	NU students (UG & PG)	500/- Online 750/- Offline	750/- Online 1000/- Offline	500/- Online 750/- Offline
2	NU research scholars & Academicians	750/- Online 1000/- Offline	1000/- Online 1500/- Offline	750/- Online 1000/- Offline
3	Students and Research Scholars (UG & PG) other than Noble University	1000/- Online 1250/- Offline	1000/- Online 1500/- Offline	1000/- Online 1250/- Offline
4	Academicians, Industrialists and Researchers	1250/- Online 1500/- Offline	1500/- Online 2000/- Offline	1250/- Online 1500/- Offline
5	Foreign delegates	10 USD	20 USD	10 USD

Publication Opportunity

Type of Paper	Option 1	Option 2
Only Abstract	SciencePG (Only Selected Abstract)	Noble University Abstract Book
Full Paper (Research Paper)	SciencePG (Upon Additional Payment)	Noble University Proceedings Book
Full Paper (Case Studies, Review Paper)	Noble University Proceedings Book	-
Poster	-	-

About SciencePG

- [Science Publishing Group](#) (SciencePG) is an internationally recognized open access publisher. It specializes in publishing journal articles, books, and conference proceedings, aiming to support the global research community in knowledge dissemination and innovation.

Schedule Highlights

- **Day 1** – 6 March: Registration & Welcome, Keynotes,
  - Offline Track Sessions (Track 1 & Track 2),
  - Offline Poster/Demo Preview
- **Day 2** – 7 March: Online Parallel Sessions, Closing Keynote, Awards Ceremony
- Hybrid access: Live streaming for online attendees; on-demand recordings
- Timings are tentative; exact slots to be confirmed later.

Venue & Logistics

- Venue: Noble University Campus, Junagadh, India | Hybrid access with virtual platform
- Travel & Accommodation: Will be available on request.
- Materials: Conference kit, certificate, digital proceedings for online attendees
