ABOUT CONFERENCE

The International Conference on AI in Biotechnology explores AI's transformative role in pharmaceutical drug discovery and development. Experts from academia and industry will discuss AI-driven advancements like predictive modeling, molecular design, and drug repurposing. The event will also address ethical and regulatory challenges in AI integration. Keynote speeches, panel discussions, and workshops will provide insights into AI innovations shaping pharmaceutical R&D. It serves as a networking hub for collaboration between researchers, industry leaders, and policymakers. The conference aims to accelerate AI adoption for next generation therapeutics. Join us to be part of this global dialogue on AI in biotechnology

SCOPE OF THE CONFERENCE

This international conference is open to students, researchers, and professionals from various disciplines, including:

- **Pharmaceutical & Life Sciences** - AI in drug discovery, pharmacogenomics, nanotechnology, biopharmaceuticals
- **Biotechnology & Biomedical Sciences** - AI in genomics, CRISPR, regenerative medicine, bioinformatics
- **Medical & Healthcare Sciences** - AI in diagnostics, personalized medicine, telemedicine, oncology
- **Ayurveda & Homeopathy** - AI in herbal drug discovery, phytochemistry, integrative medicine
- **Chemistry & Material Sciences** - AI in drug synthesis, green chemistry, molecular modeling
- **Agriculture & Veterinary Sciences** - AI in precision farming, veterinary medicine, food safety
- **Environmental Sciences** - AI in climate change, microbiome research, sustainability

WHO CAN PARTICIPATE?

Students (B.Sc., M.Sc., B.Pharm, M.Pharm, BAMS, BHMS, BVSc, PhD, MD), academicians, industry professionals, and policymakers..

Facilitate career development of all participants and provide opportunities to network and build connections with professionals with shared interests.

REGISTRATION DETAILS

ELIGIBILITY

The programme is open for students (UG/PG), Research scholar, Academician & Industry personal.

REGISTRATION FEES

Students (UG, PG)	₹ 500
Academic Scholars	₹ 800
Delegate	₹ 500
Research Scholar	₹ 700
Industrialist	₹ 800
Out of India	\$ 25

Publication Opportunity

Scopus Indexed Journal

*Subject to acceptance by the journal and payment of publication charges by authors

REGISTRATION LINK & QR
